Study Tour 2024-2025: Exploring India's Built Heritage

Students of our architecture college embarked on an enriching study tour across India, visiting Bhuj, Delhi, Chennai, Amritsar, Chandigarh, and Manali. This journey provided first hand exposure to the diverse architectural landscapes, from historic monuments to contemporary urban designs. Through site visits, sketches, and documentation, students explored the cultural and structural essence of each city. The culmination of their learning was showcased in a meticulously curated exhibition, presenting insights, analysis, and creative interpretations of the architectural marvels encountered during the tour.
