EPOCH LAUNCH

'परिज्ञान' is 'Boundless knowledge'. From the micro to the infinite expanse of the cosmos, it is the multidisciplinary understanding of the comprehensive wisdom. It embraces the universal truth of 'oneness' that connects everything. 'परिज्ञान' encourages everyone, to engage in a continuous learning and exploration process, through exchange of thoughts, ideas and systems. In this never ending journey of knowledge, TSAP celebrates its annual cultural festival EPOCH 2023 under the umbrella of 'परिज्ञान' as its theme this year.

Providing Trailblazing Architectural Education Through Innovation

What amazes us is music, poetry, nature, technological advancement, mysteries of history and architectural miracles created by humans. From the marvellous Havelis and intricate image temples to Eiffel Tower and Burj Khalifa, these aesthetic architectural marvels have impacted cultures through artistic innovations and scientific inventions.

For such astounding work, architecture education is vital and intertwined with aesthetic practice. Apart from that, students pursuing architecture education, need to focus on sustainable designs and implementations with the consideration of today's styles, as well as requirements.

An architectural educational institute, that is set to provide an excellent education in architecture with a holistic approach in **Thakur School of Architecture & Planning (TSAP) Mumbai**. Adhering to its values, the institute is a master player in providing sustainable, yet aesthetic architecture education, through its excellent curricula and other value added practices.

A Visionary Leader

An education institute like TSAP with a holistic approach to architecture learning, is guided under the visionary leadership of CEO **Karan V. Singh**.

Mr. Karan Singh has a strong background in Construction Industry, with vast exposure to international trends. He provides agility and dynamic support to the Institute, to reinvent itself with the latest technological advances, in tune with the best in the industry.

His vast exposure of industry connections with a rich resource of industry experts, facilitates **Institute-Industry collaboration and exchange** through Seminars, Workshops, Field trips and stellar advisory panel members.

Mr. Karan V. Singh
CEO
Thakur School of Architecture & Planning (TSAP), Mumbai

A Distinguished Institute

Established in 2014, TSAP strives with a strong vision and mission, to emerge as a distinguished institute, known to facilitate and nurture **Competent, Innovative and Creative Professionals**, that are **Socially responsible-through Value-based education**. The institute is approved by the Council of Architecture (COA, New Delhi) & affiliated to prestigious University of Mumbai (NAAC A++), under the aegis of **Thakur Education Group (TEG)**. It serves a clear objective of providing Quality Technical Education, in tune with International Standards and addressing global needs/challenges. Moreover, it is dedicated towards providing state-of-the-art ambience and maintaining a dynamic equilibrium with Industry-Institute Connect.

State-of-the-Art Institution

TSAP has been a private self-financed linguistic minority institute, since its inception. The Institute is located amidst the serene neighbourhood of Kandivali (E), in a self-contained well-planned residential township, well connected with public conveniences. It has implemented **Holistic Multidisciplinary Education** to groom **Smart and Environment Conscious Professionals**.

Management's commitment to excellence and relevance in technical education, sets TSAP as an Institution apart from any of its peers. It is reflected in the marvellous infrastructure, comparable to the finest institution of its type in the country. The world-class infrastructure at TSAP is equipped with state-of-the-art computer laboratories, ICT-equipped classrooms/drawing studios, workshops, a material museum, a permanent exhibition, a library, seminar halls, recreation rooms, medical facilities, dining, and student support areas.

We celebrated Independence Day with a vibrant display of innovation, fostering a sense of national pride through creative expression.

Onam celebration

Fever of "Barbie" and "Oppenheimer" is all around the corner.

On Friday we celebrated as an fictional day that embodies the essence of both Barbie's fashion-forward, glamorous world and Oppenheimer's intellect and scientific curiosity.
