PAINTING WORKSHOP - 2023

TSAP in collaboration with the other Thakur Education Group of Institutes (TEG) organised an interesting one-day workshop for the students on 04th November, 2023. The workshop was based on the initial idea of Prof. Purnima Buddhivant (as part of Electives subject) on drawing & creating traditional Indian patterns & designs. The intent of the workshop was to create beautiful & rich colourful compositions based on the virtues of Traditional Indian Art & its application as a creative illustration for a Year Calendar 2024. Students from all TEG groups of Institutions enthusiastically participated in the workshop & successfully completed the artworks within the stipulated time of 03 hours. All the workshop related support in the form of infrastructure (workshop space), drawing & colouring materials, documentation & design of calendar with the DTP personnel was provided by the TSAP. The overall outcome of the workshop was well appreciated by the participating students, faculties & HOI's of all institutions. This unique Art workshop & many other collaborations in future, shall help foster the bond of inter-institution relationships within the TEG campus.
