As part of the requirements of ANDC Trophy Participation process, the students of TSAP working for the trophy invited StreetKonnnect NGO to the campus on 26th Oct, 2024. The intent of the meeting was to present the idea of " Multifunctional Kiosk" Product design to the NGO representatives & get there valuable feedbacks for the same, as the product would be later donated to the NGO for there future endeavors. Various ideas on functionality, hygiene, portability, aesthetics, budget, ease of transport etc. were discussed in detail by our students with the NGO representatives. It was agreed to share the updates on making of the product to NGOs on timely basis , as well as use them in upcoming events.
