STUDENTS' TESTIMONIALS

While the lockdowns and online education worked in tandem, the faculty was the most understanding and helpful in answering our queries. Despite the challenges of juggling multiple online media, they did everything they could to share their knowledge, experiences, and solutions with us.

I am truly grateful to have had the opportunity to be mentored by them.

Roshan Mathews
Second Year (B.Arch.)

Thakur School of Architecture and Planning is a growing platform for students of architecture and interior design and is one of the most famous and highly recommended colleges in Mumbai. Faculty members are a pleasant group of people. They create a healthy and comfortable atmosphere for us and clear our doubts efficiently.

Infrastructure and ambiance are ideal for architecture students and a well-equipped hostel facility is available

Ishita Bhasin
Second Year (B.Arch.)

Despite the challenges faced during the lockdown, TSAP did everything in their capacity to take us smoothly through this process. From assigning intricate tasks to taking lectures online, all of this was only possible due to the collective effort and persistence shown by the faculty.

It fills my heart with joy to be a part of such an institution.

Sonia Gawde
Second Year (B.Arch.)

Pandemic hit us hard and attending online lectures was a huge task. But somehow the sweetest of the faculties we have at TSAP made it easier for us to go through this process. The staff is really supportive. We are more than ever eager to be welcomed by the family on offline basis.

Jay Gangar
