PROFESSIONAL TALKS

AR. SHYAM KHANDEKAR Urban Designer, Planner and Architect, Netherlands and India

With nearly 4 decades of design experience in multi-disciplinary, complex design work in Europe and India, Shyam Khandekar splits his time between the Netherlands and India. He leads several master-planning ventures through multi-disciplinary and international design teams. Over the years the projects designed by him have won several national and international design awards. Shyam Khandekar has lectured extensively at universities and conferences around the world on the topic of making our cities more liveable.

Since 2013 Shyam Khandekar works in Netherlands and India through his design practice ICONS / NL. In 2014 he co-founded the international knowledge platform **MY LIVEABLE CITY**, which via conferences, study-tours and short-courses organizes discourse on the "**Liveability of Cities for All**" and also publishes the authoritative quarterly MY LIVEABLE CITY.
