EVENT

INTERNATIONAL YOGA DAY 2019

Yoga is an ancient physical, mental and spiritual practice that originated in India.

International Day of Yoga, or commonly and unofficially referred to as Yoga Day, is celebrated annually on 21 June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA).

International Yoga day was celebrated in Thakur School of Architecture & Planning (TSAP), with lot of enthusiasm & passion by the students & faculties.

It was conducted by certified yoga instructors- Ms.Ankita Nadkarni & Mr.Shivansh (The Yoga Institute, Santacruz). The event was attended by more than 250 students & faculties.

The event helped students to understand the importance of Yoga and the calmness it brings in our day to day life. It inspired them to practice Yoga for at least half an hour daily. Overall, it was a refreshing and enlightening experience."

WORKSHOP

PRE-DISSERTATION

Workshop Conducted by: Ar.Mandar Vishnu Dhuri (M.Arch, M.C.A)

Associate professor, (Academic Course Co-ordinator & Thesis Incharge) Rachana Sansads' Academy of Architecture, Mumbai

Date:- 28th & 29th June 2019
 Timing: - 9 AM - 4PM

INDUSTRY INTERACTION

TATA POWER SITE VISIT

A session on Electrical Power Supply was organized on 27/06/2019 for Third year Students in the subject of Architectural Building Services 3 by the Subject incarges. The session comprised a lecture and visit to adjacent substations of TSAP campus with personnel from TATA Power Company Limited namely:

- Mr. Sandip Kundargi - HOD Networking management
- Mr. Ishwar Gore - Specialist - Network Management

•Mr. Nayeem Kazi - Specialist - Network Management

The personnel explained the Electrical Generation, Transmission and Distribution system with the help of Power Point presentation and conducting the visit to substations.

They explained the importance of electrical services in design considerations, integration with other services in Architectural Design process.

The session was useful to the students in understanding theory and application of electrical supply system.

FACULTY TRAINING

NAAC TRAINING AT VIT (VIDYALANKAR INSTITUTE OF TECHNOLOGY), WADALA.

MILESTONE AHEAD - NAAC what is NAAC ?

India has one of the largest and diverse education systems in the world. Privatization, widespread expansion, increased autonomy and introduction of Programmes in new and emerging areas have improved access to higher education.

At the same time, it has also led to widespread concern on the quality and relevance of the higher education.

To address these concerns, the National Policy on Education (NPE, 1986) and the Programme of Action (PoA, 1992) spelt out strategic plans for the policies, advocated the establishment of an independent National accreditation agency.

Consequently, the **National Assessment and Accreditation Council (NAAC)** was established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru.

The mandate of NAAC as reflected in its vision statement is in making quality assurance an integral part of the functioning of Higher Education Institutions (HEIs).

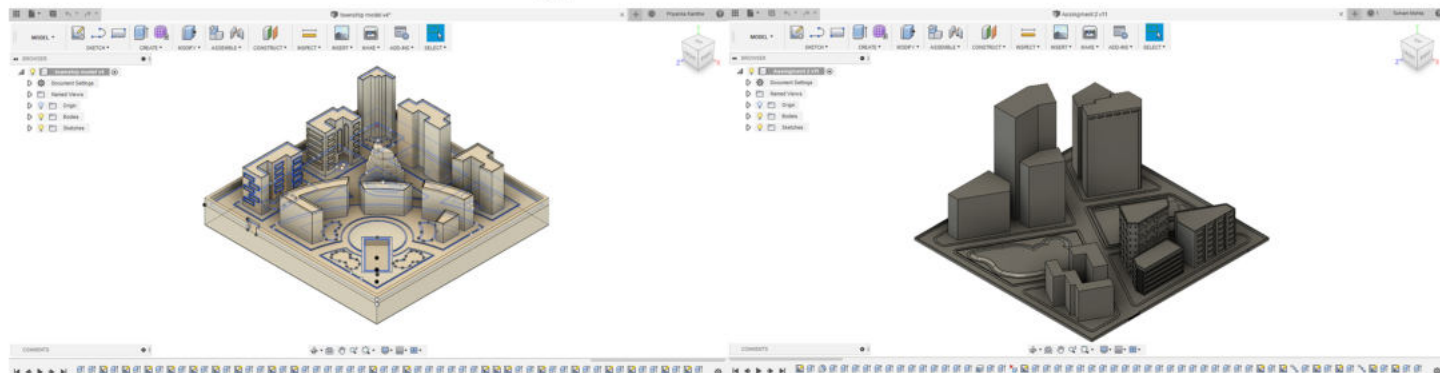

Principal, Dhiraj Salhotra sir giving vote of thanks at NAAC training workshop VIT, Wadala

VALUE ADDITION

3D PRINTING ELECTIVE

In response to making our students industry ready with the knowledge and skills of advanced architectural modelling. Tsap has introduced an **Elective on 3D Printing** to help our students ideate and visualize their designs better.

3D printing assignment
 by Soham Mehta, Fourth Year B.Arch.

3D printing assignment
 by Priyanka Kamthe, Fourth Year B.Arch.

INNOVATIVE STUDIO LEARNING

THEORY OF DESIGN AND STRUCTURES SEMESTER VII

In order to understand the practicality of the construction and concepts of retaining walls students performed various experiments on physical models.

The experiment left a lasting impact on students understanding and how to deal with such complex topics through innovative and practical learning.

A workshop on basic structural analysis and design on Staad Pro was conducted for Final year B.Arch. by Prof.Er. Kartik Prajapati

Students got a glimpse of how analysis of structural members like beams, trusses, columns steel girders are analysed. Simple RCC members were also designed along with reinforcement detailing.

TESTIMONIALS

WORKSHOP

Pre-Dissertation
Ar. Mandar Dhuri

The workshop conducted by eminent faculty, Ar. Mandar Vishnu Dhuri, proved to be quite fruitful in terms of giving the students a clarity and direction. The way the workshop went on, it opened up our minds to a broader perspective of the entire research process.

By the end of the two sessions, we were able to contemplate our freedom and limitations, simultaneously, for the entire research process, with a clarity of how to move ahead, and find out different approaches for the next step.

Dhvani Jogani
Fifth Year B.Arch

EVENT

International Yoga day

"Yoga day was celebrated with great enthusiasm and zest. Clear instructions by Ankita Maam and Shivaansh Sir motivated us to perform Yoga in its perfect posture. We understood the importance of Yoga and the calmness it brings in our day to day life. It inspired us to practice Yoga for at least half an hour daily. Overall, it was a refreshing and enlightening experience."

Devwratt Jalindar Kagne
Second Year B.Arch
